The Australian team was very appreciative of the dinner and were grateful to the community for their support.

Wrestling pull up bars for the wrestling team are working well and installed. Bryan Howard approached the club to ask for support to help defer the cost of \$500.00-600.00 which was spent. The club voted unanimously to donate \$500.00 toward the cost of the bars. The money for support of the pull up bars will be released after the Thunderbird Club has received receipts and a letter from the school accepting the gift.
