Scheduling for Visiting Scholars

CLCS Schedule: 7:50–3:00

80 minute blocks rotate on an A & B day schedule

5 blocks in a day (including our middle block of lunch and Directed Learning Lab)

Full Day Scholars

Our academic program can be focused on a "pathway" or inclusive of a variety of interests. Look through the course offerings and options, and then we'll help build you a schedule that fits what you want to learn. *Eight to Ten Classes fit into a typical full day schedule.*

You can join any CLCS co-curricular clubs, field trips, and ensembles, and bring eligible guests to school dances.

Clubs, Music & Activities

Visiting scholars remain on their home districts athletic teams.

Half Day Scholars

Focus on selecting electives based on your interests. But, if you need to fit a 'core' into this schedule, we have lots of options. Students can typically select *four classes* in a half-day program.
