

Chautauqua Lake Central "Shooting Stars" Youth Girls Basketball Program

The Girls Basketball Program is gearing up for another season of Shooting Stars. This is our girls youth basketball program for grades 3–6. It is a 9 week program where the girls learn and develop the fundamental skills of the game. They also learn to how to be part of a team and introduce them to a more structured basketball setting. All games will be played on Saturday mornings.

This program is an integral part of the girls' basketball program. Getting these young girls excited about the sport at the beginning stages of their athletic career is important for them to being able to achieve a high level of development for when they get to the JV and Varsity level.

We really are excited for the up and coming season and would love to have you be part of our youth program.

Coach Persons – Varsity Head Coach
Coach Putney – JV Head Coach

attached is the registration form which may also be found on the school's virtual backpack page
