

Coaches,

Herrmann Studio will be at your school on September 29 to do team and individual player photos.

All players will have a photo taken.

A schedule has been made to let you know when your photo session time is.

Teams generally take under 30 minutes, larger teams over 30 players take 10- 15 minutes longer.

Your help with controlling the athletes help to speed up the process.

Please have your team players in full uniform, from helmets, cleats, socks and pads.

These are the photos that are going into the yearbook.

All you need to do is distribute the information below to your player. Photos will be available on-line for parents to view and order. All orders are shipped to the parents home, no delivery by the coaches.

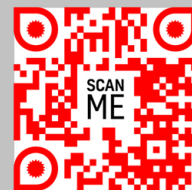

Thank you for your help,
