

Dear 2024 Senior and Parent,

The Herrmann Studio will be at Chautauqua Lake High School on September 29 in the High School on the indoor track to take Senior photos. There is no charge for the photo session or for the yearbook image submission. A time slot for your photo will be assigned by the school for you.

Please be sure you are ready. Haircuts and styles need to be taken care of now. This is your only opportunity.

We are doing Drape and Tuxedo photos for the yearbook. We are also bringing another background to do a casual photo in an outfit you would like to be photographed in for your own personal photos.

Guidelines for your portrait session: We will supply the shirt, tie and coat for the Tux photo, **you** need to have a t-shirt with no logos to wear under the shirt. The Drape will be supplied also, and pearls are available if you wish to wear them. To use the drape you need to have a strapless top or a tank top that has straps that can be pulled over your shoulders. You are getting ready in the hall so no undergarments can be used in place of the tank or tube top.

1. Arrive 5-10 minutes before your photo time to get ready for your portrait. Your scheduled time is the time you are sitting in front of the camera and having your photo taken.
2. We have a Tux Jacket, shirt and tie for you to wear. **You must have a t-shirt to wear under the shirt we are providing for you.** Bring a comb or brush.
3. We have a Drape for you to wear. You need a strapless top, (Tube or Tank top no Racer Backs) to wear under the Drape because the top of your shoulders are not covered. Avoid shiny lip gloss. Bring a comb or brush.
4. We will have a mirror available for you to use to check yourself before you sit for your photos.
5. Instructions to view and purchase your photo will be given to you.

Questions or concerns can be addressed by calling the Herrmann Studio: 716-632-0473
