

# RETIREE SHOWCASE

## RONDA REYNOLDS

Today we celebrate Mrs. Ronda Reynolds and her 27 years of dedication to maintaining a clean and safe school environment.

After moving to the area in 1997, Ronda learned about the cleaner job opportunity through Barry and Linda Larson, both Chautauqua Lake employees. After applying and successfully completing the hiring process, Ronda began working night shifts to ensure the school was always properly prepared for students and staff. Ronda had many great attributes. She was reliable, always on time, dedicated, and had great connections with students and staff. A team player, Ronda was always willing to help others. Her work reflected the values of Chautauqua Lake.

Ronda stated that the best part of her job included making lifelong friends. She always did her work to the best of her ability and took great pride in the school. Ronda enjoyed working with many team members along the way and was especially delighted to have worked most recently with Lisa Ruscitto, Alaina Perrin and Tommy Cole.

### Ronda Reynolds

Friend and colleague, Lisa Ruscitto, shares “even though our time working together was brief we had an immediate friendship. We had so many laughs together and shared stories, I will miss you immensely. Best wishes on the next chapter of your journey, my friend. Enjoy yourself!”

When asked what her favorite memories were, she stated, there are too many to mention, which reveals a career full of great experiences.

Co-worker and friend Mrs. Emily Dorman shared, “Ronda is a constant joyful presence in our hallways. She greets everyone, always goes out of her way to help teachers and students, and has become an integral part of the Chautauqua Lake community over the years. She works hard, and does it with a smile and a calmness that is welcome at the end of a long day.”

Parting words of encouragement from Mrs. Stephanie Janicki, “Ronda- thank you so much for your hard work and dedication over the years! Your warmth and willingness to go above and beyond for our school and for our staff has made a lasting impression on us all. I hope your retirement is filled with joy, relaxation, and plenty of time to enjoy the things you love most - being a grandma and the Bills! Congratulations - we will truly miss you!”

# GE

Plans for retirement include a trip to Montana and then back home to enjoy more time with her grandchildren. Her parting words of wisdom are to “work smarter, not harder.”

Ronda, thank you for all your hard work and service over the years. We wish you the best in your retirement and future endeavors!
