## PHYSICAL EDUCATION / ATHLETICS / AFTER SCHOOL WEIGHT ROOM

- Sneakers that provide ankle support (*not hey dudes, platform sneakers, crocs, boots, slip-ons, sandals, slides, etc.*)
- School-appropriate athletic clothing
- **Swim attire** (1 piece swimsuit for girls and trunks for boys when needed)

### School Supplies Update for Families

To help save money and reduce waste, families only need to purchase the items listed above.

The school will provide the rest — including binders, tab dividers, calculators, safety goggles, highlighters, and colored pencils — through bulk ordering or by recycling gently used supplies. All students in grades 7–12 are also assigned a 1:1 Chromebook, charger, and case for appropriate school use.

If your child prefers a personalized binder system, here's what we'll be providing so they can choose their own if desired:

- Math: 2-inch binder with tab dividers
- English: 2-inch binder with tab dividers
- Social Studies: 2-inch binder with tab dividers
- Regents Science courses: 2-inch binder with tab dividers
