

Dear Parents/Guardians,

Throughout this unforeseen time as a First Grade Team we have been working together to create a comprehensive packet for each week that will help provide students with the material which they would be learning if they were in school.

Math

Go Math Worksheets

- Please complete 1 lesson and homework daily
 - The directions for each lesson page are on the bottom, in blue print.
- Answer Keys for each day will be uploaded to Class Dojo for parents access

IXL and Xtramath

- Login information was sent home the first week. This is provided for supplemental or “extra” support.

ELA

Read 20 minutes daily

- We are providing an ELA & Literacy reader for extra reading material.
- We will also be providing login information for Epic! This site has books organized by interest as well as by reading level.

Red Words

- Complete 3 words within the packet each week.
- Use the word in a sentence at the bottom of the page.

Phonics Worksheets

- Complete 1 packet each week. This will provide exposure to each new set of sounds.
- Please complete one dictation page each week. We have included answer guides.

Wallet Words

- Practice individualized sight words that are placed in their small colored folders.

Fluency homework or 180 Day comprehension

- We will send the new set for each student at the beginning of each week as usual.

Benchmark workbooks.

- Complete Unit 6: Stories Teach Many Lessons, week 1
- Start Unit 7: Past, Present and Future, for week 2
 - Pgs. 2-12
- Answer Keys for dictation pages will be uploaded to Class Dojo

Raz-Kids

- Login information were sent home the first week. This is provided for supplemental or “extra” support.

Extras

Second Step

- Mrs. Smith created a packet for students to provide online information. Included in the packet are a list of books they can read, if they have access to them, that relate to the Second Step Program.

Scholastic News

- Read and complete the questions to the Scholastic News
- 1 will be sent home weekly

Pebble Go

- Parent letter was sent home the first week to allow students to access these digital resources.

Benchmark Advanced Online

- We will be providing digital assignments that students will have access to complete.

Writing

- Use the journals provided for daily journaling and/or responses to Benchmark Advance online assignments.
- 2 suggested writing prompts will be included for each week.

Please feel free to message your teacher, through Class Dojo or email, if you have any concerns or questions about any of the materials and/or directions.

Thank you for your support during this time!
