Students: Please continue to complete XtraMath at least two times a week for math fact fluency. Reflex math (see **NEW login cards** in your last folder since the first trial period expired) or Sumdog may be used at any time. Message me on Google Classroom (see handout for instructions) or parents can message on Class Dojo if you are having trouble logging in. Any IXL skills not listed also may be practiced at home. I listed IXL skills in the calendar in place of reviewing at math meeting each day and completing other classroom centers like task cards. Stay safe! 😊
