December 22, 2020

Good Afternoon:

As you know we have been working hard to ensure that we share all COVID-19 related information and cases as they happen. We share this information with our entire school community so that everyone stays informed. With that in mind, the purpose of this letter is to let you know that we will continue to work with the local Department of Health to notify any individual who is a school-based close/direct contact as they arise during winter recess. However, we will not be making parent broadcasts to report on individual cases until the end of the holiday break.

On the afternoon of Saturday, January 2nd we will issue a parent broadcast with an update on the total number of COVID positive individuals connected to our campus since December 23rd. We will also complete a deep clean of our facilities over the break and look forward to welcoming students back in the New Year.

We are proud of the instructional environment and the safety measures that were established during the first half of the school year. We remain committed to providing the best possible and safest environment we can for our students as we move forward into the next semester. Thank you for your continued support, understanding and flexibility as we continue to navigate through the pandemic together. We send our sincere wishes to you and your family for a safe, healthy and happy holiday!

Stronger Together,

Dr. Josh Liddell, Superintendent

Megan Lundgren, Elementary Principal

Rachel Curtin, Secondary Principal

Michelle Holley, School Nurse

Terry Smith, School Nurse
